

PUTS BUSINESS IN HANDS OF TRUSTEE

Sherwood Higgs, One of the Leading Merchants of Raleigh, Makes an Assignment.

BAPTIST PAPERS CONSOLIDATE

[Special to The Times-Dispatch.]
RALEIGH, N. C., November 25.—Sherwood Higgs, trading as Sherwood Higgs & Co., an extensive dry goods merchant of Raleigh, filed a deed of assignment this morning, naming W. H. Pace, an attorney of this city, as trustee to wind up the business. This is one of the oldest and largest mercantile firms in the city and has conducted an extensive business in dress goods, suits, notions, millinery, toilet articles, etc. About twenty salespeople were employed until about three months ago, when the clerical force was considerably reduced in efforts to buoy up the business. The failure is understood not to be due in any way to the recent financial stress the difficulties of the company having extended through several months past. There is no estimate given as to the assets of the company, the stock of goods and the fixtures being all that is involved. This will aggregate possibly between \$5,000 and \$10,000. There is only one preferred creditor—H. B. Claffin & Co., of New York—whose claims against Higgs are stated in the conveyance to aggregate \$10,000. There is a clause providing that all other creditors shall be paid pro rata after the Claffin claim is satisfied.

Candidates At Work.
Hon. Locke Craig, of Asheville, a prominent candidate for Governor of North Carolina, to succeed R. B. Glenn, spent Sunday in Raleigh returning from Union county, where he delivered addresses Saturday in connection with educational meetings. He manifests a high degree of confidence in the success of his race for the Democratic nomination for Governor.

The State military authorities are moving for procuring from the War Department 400 additional rifles, to bring the complement in this State to fifty-eight guns to each company, as provided in the Dick bill. Adjutant-General Robertson will go to Washington December 24 to press the matter before the War Department.

The Southern Savings Bank, of Wadesboro, received a charter from the State Department to-day, capital being \$125,000 authorized and \$20,000 subscribed by J. T. Patrick, W. C. Brock and others, including about 150 business men and farmers of Wadesboro and Anson county.

Another charter is to the Graham Livery Co., of Graham, capital, \$25,000, by J. E. Richardson, E. P. McGuire, and others.

There is also a charter to the Interstate Coal Co., of Alapocas, Mitchell county, capital, \$500,000 authorized and \$50,000 subscribed, by S. R. Jennings and others.

Baptist Papers Consolidate.
The Recorder, the North Carolina State convention organ, purchased from John A. Oates the North Carolina Baptist another Baptist paper, published weekly at Fayetteville, and will consolidate this with the Recorder. The Baptist Recorder is owned by a stock company, capitalized at \$10,000, the Rev. W. C. Blanchard, D. D., the editor, being a large stockholder. The combination of the two papers will constitute a circulation of about 15,000 after duplicates have been eliminated. The last issue of the North Carolina Baptist will come out this week, the announcement of the sale being in this week's issues of the two papers. Mr.

DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made, and the suffering patient gets no better and is suffering the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription directed by the cause would have entirely removed the disease, thereby disposing of all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects. In any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and restores the vitality of the system in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and depression. The stomach, liver and bowels. One to three a dose. Easy to take as candy.

Oates is devoting considerable time to his duties as chairman of the State Anti-Saloon League, and he is secretary of one of the largest insurance companies in the State, with principal office in Fayetteville.

The North Carolina Historical Society has secured Dr. Thomas Nelson Page, of New York, as the orator for the annual meeting of the society in 1908.

Superintendent Bugher Dead.

[Special to The Times-Dispatch.]
WILMINGTON, N. C., November 25.—Mr. Stephen D. Bugher, superintendent of the Winston waterworks plant and city engineer, died at the age of sixty-six years. Mr. Bugher was a native of Ohio, and served through the Civil War as a Federal soldier. He came to Winston in 1880, and was in charge of the waterworks plant, which made a number of raids in this section. He was left in North Carolina and for a number of years had been drawing a pension from the United States government.

SOCIAL and PERSONAL

MRS. C. A. SWANSON has returned from a very pleasant stay in Norfolk, where she and Governor Swanson enjoyed an elaborate reception at the Norfolk Woman's Club on Thursday evening.

The club-rooms were handsomely decorated in pink roses and palms. The receiving line included Miss Virginia Gatewood, Mrs. Swanson, Mrs. J. Taylor Elyson, Mrs. James H. Hubbard, Mrs. Inman Payne and Mrs. B. H. Hodges.

More than 700 guests, many of them hostesses and commissioners from the exposition, and a number of army and navy officers, called during the evening.

Mrs. Swanson will be in Richmond for Mrs. Henry C. Stuart's reception on Wednesday evening, and for the Thanksgiving dinner, of which she is patroness. Then, unless the weather forbids, she will return to the exposition for the closing entertainments.

Afterward she will go to her farm near Chatham, Va., for a visit of some length, and will not be in Richmond again until the busy time of Christmas shopping has begun.

For this reason Mrs. Swanson will not begin her Tuesday afternoon at home until the opening of the New Year, after which time she will be permanently installed in the mansion for the rest of the winter.

Martin, at Kingan & Co.'s; Mr. Guy Binford, at the Bell Telephone building, or by mail from the committee, Misses Armstrong and Binford.

DEFER RATE HEARING.
Goes Over to Wednesday on Account of Councils Adjourn.

[Special to The Times-Dispatch.]
RALEIGH, N. C., November 25.—An unexpected announcement is made to-night that another postponement of the resumption of the hearing before Standing Master W. A. Montgomery in the rate case in which the State and the Railway is testing the constitutionality of the 2-1-2 cent passenger rate. It is, however, for only one day to Wednesday morning. E. J. Justice, of counsel for the State, asked the continuance because he found it impossible to be here to-morrow, when the case was to be resumed at 10 o'clock.

There is an effort now on the part of some others connected with the case to have the matter go over until after Thanksgiving anyway. This may not be done, though, for the reason that important witnesses from a distance are here on the way, and it is not desired to unnecessarily detain them here waiting to testify. Hon. C. C. McChord, chairman of the railroad commission of Kentucky, and Mr. C. W. Hillman, public accountant of Louisville, Ky., arrived to-night, having been subpoenaed by the State to give expert testimony of character, of which there is no intimation.

FIGHT ON ELLERY BAND.

Union Musicians Want Contract With Band Canceled.

NORFOLK, VA., November 25.—There is a fight on against the Ellery Band, now stationed at the exposition. It is charged that it is a nonunion organization. Local musicians and leaders of the Philhney Band, are known to be behind the fight. They want the exposition officials, who have throughout the exposition stood for union labor in all things, to cancel the engagement.

What the officers of the company will do about the kick is yet to be seen. So far they have remained silent. It is understood that they will not take up the matter, owing to the fact that the exposition closes in a few days, and there would be some trouble in securing another first-class organization to fill in so short a gap.

But this does not satisfy the union musicians, and they are using every influence to prevent the completion of the engagement of the band.

OBJECT TO JUDGE BRYAN.

Ronnoke's Alleged Rioters Will Be Tried by Magistrate Instead.

ROANOKE, VA., November 25.—In the Police Court this morning Judge J. C. Counsel for Herbert objected to Judge Bryan, of the Corporation Court, trying the case, as he was the official who warned the rioters, and the hearing was postponed until next Friday, when it will come before Magistrate McNeal.

BUSINESS MAN IS MISSING.

Leaves Home and Friends Fear He Has Suffered Mental Disaster.

ELKINS, W. VA., November 25.—So far as his family is concerned, the on-they apparently has swallowed Robert T. Clowley, a prominent business man of Buckhannon, who has been missing from his home since last Tuesday. He left Buckhannon, informing his family a business mission required his presence here. After spending the night and part of the following day in Elkins, he departed on an afternoon train for his home, and has not been seen since.

He is said to have been seen at Pickens, but a hasty visit by relatives to that place failed to solve the mystery. His general appearance and conduct when he left home were rather unusual, and it is feared that, suffering some mental ailment, he is wandering aimlessly about in strange places.
